

# Rain, Rain

Cher

Everywhere I look, I see rain

Why am I here if you're there?  
So far away it's not fair  
To be without you like this

I miss you more than you know  
The nights are long, the days slow  
Without the warmth of your kiss

Wish you were back here with me  
'Cause out my window  
All I see is

Rain, rain in the sky  
Everywhere I look my eyes see  
Rain, rain fallin' down  
Cryin' as it hits the ground  
Rain, rain in my heart  
Every day that were apart  
Rain, rain, fallin' rain

The sun is strong when you're near  
But when you're gone it disappears  
Behind an ocean of blue

The telephone's not good enough  
It can't reach out, it can't touch me  
The way that you do

Wish you would knock at my door  
'Cause only you  
Can stop the pourin'

Rain, rain in the sky  
Everywhere I look my eyes see  
Rain, rain fallin' down  
Cryin' as it hits the ground  
Rain, rain in my heart  
Every day that were apart  
Rain, rain, falling rain, rain  
Rain, rain, only rain

Maybe I'll go outside and walk beneath the clouds  
Pretend it's you that's watching over me  
This isn't the only thing that comes between us now  
Baby soon we'll be together

Everywhere I look I see rain  
Everywhere I look I see rain  
(Rain)  
Everywhere I look I see rain  
Everywhere I look I see rain  
Everywhere I look I see rain  
(Rain)  
Everywhere I look I see rain  
Everywhere I look I see rain

Rain, rain in the sky  
Everywhere I look my eyes see  
Rain, rain fallin' down  
Cryin' as it hits the ground  
Rain, rain in my heart  
Every day that were apart  
Rain, rain, fallin' rain, rain

Everywhere I look I see the rain  
Everywhere I look I see the rain  
But I don't see you  
You're not near me but I need you  
Every day that we're apart  
Rain, rain  
It'll never be the same  
If you don't stop the rain
