

# Song for the Lonely

Cher

When you're standing on the edge of nowhere  
There's only one way up  
So your heart's got to go there  
Through the darkest nights  
See the light shine bright  
When heroes fall, in love or war  
They live forever

This is a song for the lonely  
Can you hear me tonight  
For the broken hearted, battle scarred  
I'll be by your side  
And this is a song for the lonely  
When your dreams won't come true  
Can you hear this prayer  
'Cause someone's there for you

Well love don't need a reason  
She can pick you up  
Or leave you bleeding  
I've seen a strong man cry  
I know the reason why  
We all forgive, we all forget  
We just keep believing

This is a song for the lonely  
Can you hear me tonight  
For the broken hearted, battle scarred  
I'll be by your side  
And this is a song for the lonely  
When your dreams won't come true  
Can you hear this prayer  
'Cause someone's there for you

(Don't give up)  
So let it find you  
(Just hold on)  
Wherever you may go  
(Don't give up)  
I'm right beside you  
You don't have to look no more  
You don't have to look no more, oh no

It's gonna be alright  
It's gonna be alright  
It's gonna be alright

This is a song for the lonely  
Can you hear me tonight  
For the broken hearted, battle scarred  
I'll be by your side  
And this is a song for the lonely  
When your dreams won't come true  
Can you hear this prayer  
'Cause someone's there for you

This is a song

A song for the lonely  
And that's not you only  
Through the darkest night  
You're gonna see the light

This is the song for the lonely  
When your dreams won't come true  
Can you hear this prayer  
Someone's there (3x)  
For you
