

# Take It Like a Man

Cher

Boy, if you want my heart  
You gotta take it like a man  
Before you fight for us  
You gotta show me that you can

They say it's better to love and to lose it all  
I didn't learn how to fly without a heavy fall  
I went from A to Z, blew off reality  
So if my love is a game then you should learn the rules  
You take it on if you're leaving wonder why you lose  
It takes a wiser man to figure out my head

I've been in love, went to the other side  
I've seen the other side  
I'm not about to fall into another tonight  
So get it right

Boy, if you want my heart  
You gotta take it like a man  
Before you fight for us  
You gotta show me that you can  
So when the lights go dark  
I wanna know you understand  
That if you want my heart  
You gotta take it like a man

I've seen and done it all  
I've been misunderstood  
But tell me what could be bad about feeling good  
It's all or nothing now  
'Cause fate don't wait around

I've been in love, went to the other side  
I've seen the other side  
I'm not about to fall into another tonight  
So get it right

Boy, if you want my heart  
You gotta take it like a man  
Before you fight for us  
You gotta show me that you can

So when the lights go dark  
I wanna know you understand  
That if you want my heart  
You gotta take it like a man

Sometimes it feels  
Like we've got everything to prove  
We make believe  
But we rise again to face the truth

On and on, on and on we're going  
On and on, on and on it's growing  
On and on, on and on only the real  
Know the deal

Boy, if you want my heart  
You gotta take it like a man  
Before you fight for us  
You gotta show me that you can

So when the lights go dark  
I wanna know you understand  
That if you want my heart  
You gotta take it like a man

How does it feel? We do it better!  
So get the love that's in your heart  
How does it feel? We do it better!  
We do it better!

How does it feel? We do it better!  
So get the love that's in your heart  
How does it feel? We do it better!  
We do it better!

How does it feel? We do it better!  
So get the love that's in your heart  
How does it feel? We do it better...
