

## Take Me for a Little While

Cher

I've been trying  
To make you love me  
But everything I try  
Just takes you further from me  
You don't love me  
So you treat me cruel  
But no matter how you hurt me  
I'll always be your fool

If you don't want me forever  
And if you don't need me forever  
And if you can't love me forever  
Take me for a little while  
So I can hold you baby  
(For a little while)  
So I can make you want me

I've got to stop it  
There should be a law  
Cause every time you put me down  
I love you more  
And I feel so helpless  
And it ain't funny  
Cause deep inside I know  
You're never gonna love me
