

# Trail Of Broken Hearts

Cher

So you captured a heart and you felt so proud  
Coz you didn't wanna sleep alone  
It's your very first time  
And you think love's a game, it's not

People always tell you it's so romantic  
To live like a rolling stone  
Well, the loneliness comes and you lose control  
The river of love can drowned your soul

And time leaves a trail of broken hearts  
You should know before you start  
That your heart is on the line  
In the end  
If you believe in love, my friend  
Better keep your faith  
Coz time leaves a trail of broken hearts  
Broken hearts

Do you know what it's like when you need somebody  
But somebody runs away  
Well, you feel like dyin'  
But you wish you were in her arms, yeah

Oh, you'd pay any bail just to break that jail  
Coz you're scared that you'll never escape  
Well, the clock keeps tickin' and it's running out fast  
To find real love you'd better make it last

Coz time leaves a trail of broken hearts  
You should know before you start  
That your heart is on the line  
In the end  
If you believe in love, my friend  
Better keep your faith  
Coz time leaves a trail of broken hearts  
Broken hearts

Life passes by like a slow down parade  
You walk from the sidewalks as love fades away  
In a world full of hearts there's only one you can save

Yeah, the clock keeps tickin' and it's running out fast  
When you find real love better make it last

Coz time leaves a trail of broken hearts  
You should know before you start  
That your heart is on the line  
In the end  
If you believe in love, my friend  
Better keep your faith  
Coz time leaves a trail of broken hearts  
Hearts, hearts, hearts, hearts

Coz time leaves a trail of broken hearts  
You should know before you start  
That your love is on the line, yeah

In the end  
If you believe in love, my friend  
Better keep your faith  
Coz time leaves a trail of broken hearts

Oh oh oh oh oh oh oh

Time, time, time, time, time  
Broken, broken hearts, broken hearts
