I'm dancin' solo
In the dark on the club floor
I need to let it go
Shake it off stop thinkin' 'bout you

I lose myself in the beat of the drum
Tryin' try-tryin' to forget what you done done
But honey this is a battle that you haven't won

Torn up, busted, taken apart I've been broken down
Left with a broken heart
But I'm stronger
Strong enough to rise above
This is a woman's world
This is a woman's world

Tell the truth
This is a woman's world
Tell the truth
This is a woman's world

And I'm stronger Strong enough to rise above This is a woman's world This is a woman's world

Tell the truth
This is a woman's world
Tell the truth
This is a woman's world

And I'm stronger
Strong enough to rise above
This is a woman's world
This is a woman's world

Love Hurts, your lies, they cut me But now your words don't mean a thing I don't give a damn if you ever love me

'Cause it don't matter I'm movin' on Go-gonna lose myself in the beat of the drum 'Cause honey this is a battle that you haven't won

Torn up, busted, taken apart I've been broken down
Left with a broken heart
But I'm stronger
Strong enough to rise above
This is a woman's world
This is a woman's world

Tell the truth
This is a woman's world
Tell the truth
This is a woman's world

And I'm stronger Strong enough to rise above This is a woman's world This is a woman's world

Tell the truth
This is a woman's world
Tell the truth
This is a woman's world

And I'm stronger Strong enough to rise above This is a woman's world This is a woman's world

All the women in the world Stand up come together now This is a woman's world Everybody in the club Stand up come together now This is a woman's world All the women in the world Stand up come together now This is a woman's world Everybody in the club Stand up come together now This is a woman's world Everybody in the club Stand up come together now This is a woman's world

Tell the truth
This is a woman's world
Tell the truth
This is a woman's world

And I'm stronger
Strong enough to rise above
This is a woman's world
This is a woman's world

Tell the truth
This is a woman's world
Tell the truth
This is a woman's world

And I'm stronger
Strong enough to rise above
This is a woman's world
This is a woman's world
