

# You Wouldn't Know Love

Cher

So now you're back  
So you had your fun  
And now you're coming around again  
Sure baby, I should let you in  
So you can let me down again  
Well, it doesn't really matter  
What you say or do  
You can tell me that you love me  
But I know it ain't true

'Cause you wouldn't know love  
If it knocked down your door  
You wouldn't know it now  
You never knew it before  
If it landed in your hands  
From the Heavens above  
You wouldn't know love  
(You wouldn't know love)  
No, you wouldn't know love

Said you changed  
Said you done me wrong  
But you won't do it anymore  
No darling, I don't have to tell you  
Where I heard that line before  
Baby, you would say anything  
To get back into my heart  
When it comes to loving  
You don't even know where to start

'Cause you wouldn't know love  
If it knocked down your door  
You wouldn't know it now  
You never knew it before  
If it landed in your hands  
From the Heavens above  
You wouldn't know love  
(You wouldn't know love)  
No, you wouldn't know love

Did you think that I would believe  
Anything that you said  
Let you come back to me  
Baby, there's just no way  
Baby, I've had enough  
And you wouldn't know love

(You wouldn't know love)  
You wouldn't know love  
If it knocked down your door  
You wouldn't know it now  
You never knew it before  
If it landed in your hands  
From the Heavens above  
You wouldn't know love  
(You wouldn't know love)  
No, you wouldn't know love

(You wouldn't know love)  
You wouldn't know love

You wouldn't know love  
If it knocked down your door  
You wouldn't know it now  
You never knew it before  
If it landed in your hands  
From the Heavens above  
You wouldn't know love  
(You wouldn't know love)  
No, you wouldn't know love

You wouldn't know love  
If it knocked down your door  
You wouldn't know it now  
You never knew it before  
If it landed in your hands  
From the Heavens above
