

## Chevy

## Cherish

A-A-A-A-A. A-A-A-A-A. A-A-A-A-A.

Treat me like ya Chevy.  
You can show me off.  
You can let my top back.  
Any time you want it.  
Baby come and shine me.  
Hit the gas slow.  
Crank up my ignition.  
Take me for a roll.

Take her to the spot.  
Take her to the club.  
Sexy wood grain wheels sittin' on dubs.  
You can keep it gangsta.  
'Cause she ain't no wanksta.  
Seat laid back.  
And I ride with a lean.  
Give me that treatment.  
You know what I mean.  
Might hit the chrome ooh man it gleams.  
Sexiest thing on the block, that you seen.

Oooo, ooh ooh ooh ooh.  
I know you wanna taste this candy paint.  
Ooh ooh ooh ooh.  
But you can't go far.  
Less you fill the tank.  
Comin' down. Swerving lanes. In reverse.  
Watch me do my thang.  
I'm about to make my body sang.  
Vroom vroom vroom vroom.

Baby wusup. Do you wanna ride.  
Put me in gear. From 3rd to 5.  
Watch me do it (do it).  
While you get into it (to it).  
Turn on the radio.  
Play slow jams. Junk in the trunk.  
Got 'em saying damn.  
Put your ride in my cam.  
Rev me up. Like I know you can.

Ooh ooh ooh ooh.  
I know you wanna taste this candy paint.  
Ooh ooh ooh ooh.  
But you can't go far.  
(Un) Less you fill the tank.  
Comin down. Swerving lanes. In reverse.  
Watch me do my thang.  
I'm about to make ny body sang.

I'm about to make my body sang (hey).  
I'm about to make my body sang (hey).  
I'm about to make my body sang (oh oh oh oh).  
I'm about to make my body sang.  
Treat me like a Chevy baby.

Do me like you want to baby.  
Come on, come on, come on, come on.  
Say.
