

# Stay Don't Just Stay (if You're Gonna)

Cherry Poppin' Daddies

No I never cry  
Never never never cry  
Since I found a home, I'm free to fly  
No more loneliness  
I'm comin' from a new address  
Now I found some hearts that are on my wavelength  
So come this way, it's tres gentile  
Get on up to the barbecue  
Just paper plates and you'll find that we ain't  
Fancy people with attitudes

(But if you're gonna)  
Stay, don't just stay  
Come let's sway around  
Stay, don't just stay  
Move your head around  
Feel the rhythm and you  
You can do no wrong  
Soul dancin' all summer long

I want you to know  
Now that I'm about to go  
That your party saved me, and moved my soul  
There's so much sweetness  
Wellin' up inside my chest  
That I'll remember when I'm far away

She said, "I'll still be here when you get back  
So take care of yourself and crew  
And oh my word, all those giggly girls  
Goin' boy crazy at you"

(But if you're gonna)  
Stay, don't just stay  
Come let's sway around  
Stay, don't just stay  
Move your head around  
Feel the rhythm and you  
You can do no wrong  
Soul dancin' all summer long

Can you feel it, yeah  
You can do no wrong  
Stay a little bit...longer...

Don't you wanna stay, don't just stay  
But come this way, and you'll find that we ain't  
Fancy people with attitudes

(But if you're gonna)  
Stay, don't just stay  
Come let's sway around  
Stay, don't just stay  
Move your head around  
Feel the rhythm and you  
You can do no wrong  
Soul dancin' all

All around, all around

Soul dancin' all summer long...
