1. In my beginning there was nothing
so empty in the space between
And you came in turned the lights on
and created what it's came to be
Before I pluck your wings cover me
please spread your wings cover me and

R: Promise this if I die before I wake oh
Promise this take a time to say your grace
On your knees you pray for me
Promise this be the last to kiss my lips

2. Though I'm walking through the shadows
you are with me and you comfort me
Lay me down now time for sleeping
but before that would you restore me
Before I pluck your wings cover me
please spread your wings cover me and

R: Promise this...

*: By a thread we're hanging on
In the hope you don't let go
If you ever leave me, No

I wanna go with you
