

# Sexy Den a Mutha

Cheryl Cole

Sexy then a mutha, mutha...  
Sexy then a mutha, mutha...  
Sexy then a mutha, mutha...  
Sexy then a mutha, mutha...

[VERSE]

Don't lose the key to my heart boy your love's  
Like the double trouble drum  
that I bang bang bang  
Don't let go of me,  
hold me till I've had enough  
Watch my body rum-pa-pum  
b-b-bang bang  
We came here to have fun,  
tell em we don't care  
Hold me like a shot gun,  
hit me everywhere  
We came here to have fun,  
so tell em we don't care  
Hold me like a shot gun,  
hit me everywhere  
We came here to...  
(party and party and party and party)  
You got me feeling

[CHORUS]

Sexy then a mutha...  
Got me feeling sexy then a mutha...  
You got me feeling sexy then a mutha...  
Got me feeling sexy then a mutha...  
You make me say oh oh ohhh...  
We be like oh oh ohhh...  
You make say oh oh ohhh...  
We be like oh oh ohhh...

[VERSE]

Don't slow down,  
get me moving from the start  
Watch me beating up ya heart  
b-b-bang bang bang  
Kick it off and get low  
let my body steal the show  
Bout to lose it here I go b-b-bang bang  
We came here to have fun,  
tell em we don't care  
Hold me like a shot gun,  
hit me everywhere  
We came here to have fun,  
tell em we don't care  
Hold me like a shot gun,  
hit me everywhere  
We came here to  
(party and party and party and party)  
You got me feeling

[CHORUS]

Sexy then a mutha...

Got me feeling sexy then a mutha...  
You got me feeling sexy then a mutha...  
Got me feeling sexy then a mutha...  
You make me say oh oh ohhh...  
We be like oh oh ohhh...  
You make say oh oh ohhh...  
We be like oh oh ohhh...
