

Stand Up

Cheryl Cole

R: Cause I came here to dance Im gonna put up my hands and stand up,
stand up

cause I came here to dance Im gonna put up my hands and stand up,
stand up

get up get up when the music gets a hold of you
get up get up when the music gets control of you
get up get up when the music gets a hold of you
get up get up get up get up get up

1. I can see the light calling me out
I can see the search light spinning around
I can feel the home where i belong
I can feel the music turning me on
turning me on

R: Cause I came here to dance...

2. Ive got this emotion covering me while moving in the fast lane tak
ing the

lead theres no way to hide this feeling this strong
I can feel the music turning me on
turning me on

R: Cause I came here to dance...

*: Ok cheryl lets dance, cause I just cut my advance

I can slide on my Louis Vuitton, Im gonna put on my brand new vans

.

and take it to the club, I dont give a what and you dont give a wh
at

we go wild eyed like we just got paid looking so fresh in out rock
star shades
