

# Telescope

Cheryl Cole

Tangled in knots I'm..  
Caught in the eye  
Needle and thread, needle and knife  
I'm in the room and, you're in my bed with her  
I see the unseen and I'm feeling just like a..

Telescope  
Turn my eyes away  
'cause I know, it's more than I can take  
Telescope, yeah  
I can see the ending, I can see the ending, now  
and I can't come down

Un-quiet kisser, un-ending doubt  
All smoke and sin, black it all out  
Fade in the blur and..  
Fade in the light  
You empty your glass, you leave me behind  
and I'm inside the..

Telescope  
Turn my eyes away  
'cause I know, it's more than I can take  
Telescope, yeah  
I can see the ending, I can see the ending, now  
and I can't come down

Ooh oh ohh, ooooooh,  
Ooh oh ohh, ooooooh,  
Telescope, yeah  
I can see the ending, I can see the ending, now  
I fell down
