

Telescope

Cheryl Cole

Tangled in knots I'm..
Caught in the eye
Needle and thread, needle and knife
I'm in the room and, you're in my bed with her
I see the unseen and I'm feeling just like a..

Telescope
Turn my eyes away
'cause I know, it's more than I can take
Telescope, yeah
I can see the ending, I can see the ending, now
and I can't come down

Un-quiet kisser, un-ending doubt
All smoke and sin, black it all out
Fade in the blur and..
Fade in the light
You empty your glass, you leave me behind
and I'm inside the..

Telescope
Turn my eyes away
'cause I know, it's more than I can take
Telescope, yeah
I can see the ending, I can see the ending, now
and I can't come down

Ooh oh ohh, oooooh,
Ooh oh ohh, oooooh,
Telescope, yeah
I can see the ending, I can see the ending, now
I fell down
