

## Friends And Lovers

Chesney Hawkes

I think you know what I'm trying to tell you  
You do something special to me  
Do it to me, just for a minute  
(end whispering)

Come and lie with me now, baby  
I can feel your breath against my skin  
Oh I want you now, my baby

You're naked body's heaven  
This feeling aches inside  
We could be friends and lovers  
Oh, my baby

We will melt together baby  
I can feel your body fly with mine  
Oh I want you now, my baby

Your naked body's heaven  
This feeling aches inside  
We could be friends and lovers  
Oh, my baby

May I whisper to you  
Only love will send my passing mind  
Into your eyes, oh baby

Your naked body's heaven  
This feeling aches inside,  
Can we be friends and lovers  
Oh, my baby

Your naked body's heaven  
This feeling aches inside  
Can we be friends and lovers  
Oh, my baby

Your naked body's heaven  
This feeling aches inside  
Can we be friends and lovers  
Oh, my baby
