

Let Down

Chester Bennington

And the tears fall like rain,
Down on my face again
Oh, the words you wouldn't say.
And the game you play
With my unfoolish heart.
Oh, I should have known this from the start.

Winter and spring
Going hand in hand
Just like my love and pain
How the thought of you cuts deep within the vein
Oh, this brand new skin stretched across scared terrain

I don't wanna be let down
I don't wanna live my life again
Don't wanna be lead down the same old road
So I don't wanna be let down
I don't wanna live my lies again
Don't wanna be lead down the same old road

Oh...

All those years down the drain
Love was not enough when you want everything
What I gave to you and now the end must start
Oh, I should have listened to my heart

Cause, I don't wanna be let down
I don't wanna live my life again
Don't wanna be lead down the same old road
So I don't wanna be let down
I don't wanna live my lies again
Don't wanna be lead down the same old road

Oh...

I don't wanna be let down
I don't wanna live my life again
Don't wanna be lead down the same old road
So I don't wanna be let down
I don't wanna live my lies again
Don't wanna be lead down the same old road
