

The Morning After

Chester Bennington

Caught up against the wall again
Time to chill in the bar again
Never seize to amaze the night
So I just sleep sleep sleep please don't
Wake me 'til the morning after
Wake me 'til the morning after

Cut and bruised by the fall again
Lick my wounds like a dog again
Is that a light at the end of the tunnel
That I see I see please let it be but don't
Wake me 'til the morning after
Wake me 'til the morning after
Wake me 'til the morning after

I'm so tired there has got to be an end
To the pain I feel
When i'm awake and alive alive alive
Alive and I'm dreamin'

Caught up against the wall again
Time to chill in the bar again
Is that a light at the end of the tunnel
That I see I see please let it be but don't
Wake me till the morning after
Wake me till the morning after
Wake me till the morning after

I'm so tired there has got to be an end
To the pain I feel
When i'm awake and alive alive alive
Alive and I'm dreamin'
