

# Tonight I Know

Chester See

I was scared and unaware of what your touch might do  
Trying to find it, couldn't hide it,  
I was falling for you,  
I lose control and I don't know if I can do this  
'Cause every time I'm near you  
Well, I just feel so helpless  
I try to leave, but something brings me closer to you

I fall in love a little more each day  
And I don't have the strength to stay away, so  
Tonight I know, Tonight I know  
Tonight I know,  
I know, I know, Tonight I know,  
Never been so sure about a single thing before, tonight I know

I'll be honest, I can't promise that this love won't change  
Just can't ignore it, I love you more with every single day  
And you should know, that I won't go,  
I'm here forever  
As long as time allows us, we'll always be together  
'cause you're the one and only love I've ever known

Tonight I know, tonight I know, tonight I know,  
I know, I know.  
Tonight I know,  
Never been so sure about a single thing before,  
Tonight, I know

Tonight I know, tonight I know, tonight I know,  
I know, know, I know  
Tonight I know,  
Never been so sure about a single thing before,  
Yeah, tonight, I'm yours...
