

# Your Kiss

Chester See

Every time I watch you walkin away I'm thinkin  
I like the view but I just hate the waitin baby  
For you to get back where you belong  
wrapped up in my arms  
I spend the whole day just thinkin about  
all the things you do that drive me wild  
do what I can just to pass the time  
but there's one thing on my mind

Your Kiss your kiss your kisses  
your kiss your kiss your kisses  
your kiss your kiss your kiss is love  
you got me singin again  
Your Kiss your kiss your kisses  
your kiss your kiss your kisses  
your kiss your kiss your kiss is love

I don't think that I could last a day  
without the lovin that you send my way  
with your two little lips that taste so sweet  
you drop a mna down to his knees  
and every time that you pucker up  
I fall a little bit more in Love  
don't know what I'd do if you ever took away  
the one thing that brightens up my day  
you know I'm takin bout

Your Kiss your kiss your kisses  
your kiss your kiss your kisses  
your kiss your kiss your kiss is love  
you got me singin again  
Your Kiss your kiss your kisses  
your kiss your kiss your kisses  
your kiss your kiss your kiss is love

it's like the world just stops and nothing really matters  
if a glass hit the floor in slow motion it would shatter  
cause it's just like a dream it seems just like an old film  
that moment in the rain where they kiss in the end  
and I don't wanna sound like I'm goin insane  
but every time I touch your lips it's like I'm lost in a daze...d  
and confused I'll be your Matt Mcconaughey  
you can be my Kate just never take away

Your Kiss your kiss your kisses  
your kiss your kiss your kisses  
your kiss your kiss your kiss is love  
you got me singin again  
Your Kiss your kiss your kisses  
your kiss your kiss your kisses  
your kiss your kiss your kiss is love
