

Autumn Leaves

Chet Baker

The falling leaves drift by my window
The falling leaves of red and gold
I see your lips the summer kisses
The sunburned hands I used to hold

Since you went away the days grow long
And soon I'll hear old winter's song
But I'll miss you most of all my darling
When autumn leaves start to fall

Since you went away the days grow long
And soon I'll hear old winter's song
But I'll miss you most of all my darling
When autumn leaves start to fall

I'll miss you most of all my darling
When autumn leaves start to fall
