

Comfortable Liar

Chevelle

Broad
Is this sea
The salt
Enters the wound

My take
On you is simple

So heal
Your fear
To heal
Your fear

Time
Spent waiting off shore
The calm
Before the storm

My take
From you is simple

So heal
Your fear
To heal
Your fear

You're such a comfortable liar
You're such a comfortable liar
You're such a comfortable liar
You're such a comfortable liar
You're such a comfortable liar

So calm

Cause I said wrong
You comfortable liar
You comfortable liar
You comfortable liar
You comfortable liar

Liar...
