

Get Some

Chevelle

I tried an idea for no reason
Keep the sun off our shoulders
Crawling back to

A black out
Touching new life
Face down
Set the pace again

The drive the idea still existing
Sat and shuddered broke the pattern
Falling inward
In and down up and out
Let it go follow way back
Call it off any day anyway
Make you feel this

A black out
Touching new life
Face down
Set the pace again

Don't take the fall
We'd hate to see
That's entertainment
Get some
Eyes on the goal
Last one to get
Is passed over looked over
Never rehearse
They've spiked the water
It's in the blood
Get some
We've underestimated
How can I
Get some
How can I (3x)
Get some

A blackout
Could this be the one
