

## Get Some

Chevelle

I tried an idea for no reason  
Keep the sun off our shoulders  
Crawling back to

A black out  
Touching new life  
Face down  
Set the pace again

The drive the idea still existing  
Sat and shuddered broke the pattern  
Falling inward  
In and down up and out  
Let it go follow way back  
Call it off any day anyway  
Make you feel this

A black out  
Touching new life  
Face down  
Set the pace again

Don't take the fall  
We'd hate to see  
That's entertainment  
Get some  
Eyes on the goal  
Last one to get  
Is passed over looked over  
Never rehearse  
They've spiked the water  
It's in the blood  
Get some  
We've underestimated  
How can I  
Get some  
How can I (3x)  
Get some

A blackout  
Could this be the one
