

Grab Thy Hand

Chevelle

Grab thy hand and walk.

Through...

Through...

Through...

Through...

Bring me your time,
How I long for release.
Shown, presently,
Reveals a man, to repeat.

God, How I long,
How I long...
To grab thy hand and look.

May I, come in, grab hold,
Just this once.
May I, come in,
Just this once,
Just this once,
Just this once,
Grab thy hand and walk.

Through...
Through...
Through...
Through...
Through...

Walk.

May I come in, how long,
Just once.
Can't I come in, grab thy hand and
May I come in, how long,
Just once.
Can't I come in, grab thy hand and...

Walk Through...
Walk Through...
Walk Through...
Walk Through...
