

Hold onto chance  
Lest we bleed ourselves  
Save for the pets  
They're the loneliest

Put into jars  
We'll save this earth  
Put into jars  
We'll save the earth

We can't both become the same pawn  
That's made to fall  
Oil that tastes like  
Blood stole the summer scent  
From me to you  
You're stabbing me through you  
You're stabbing you through him  
And betting most of  
This world  
We'll add enough of the world

Steal from yourselves  
It never felt so good  
And feed from their hand's  
Confuse by opposites

Put into jars  
We'll save this earth  
Put into jars  
Keep safe this earth

Feeling manic for a day  
Depends on the trends  
Depends on the surface  
If the sun never sets

This world  
We'll add enough of the world  
Is the main thing you'll shout  
Till the bitter end

Into Jars
