

Still Running

Chevelle

Say it, say it, say it

Along, you support, then embrace
Another reason to see
Success, we unfold, clutching firm
Betting he panics for sure

Say it, say it, that it's done
I want it, want it, need it done
Say it, say it, that it's done
I want it, want it, need it done

The lie wants to know
Has it met expectations so far

Say it, say it, that it's done
I want it, want it, need it done
Say it, say it, that it's done
I want it, want it, need it done

Still running, never waking up to say it
Still running, never waking up to say it
Still running, never waking up to say it

Selfishly walking through
Killing the angles
Picking and choosing
To screw all of us one by one

So run, make amends
Feeling torn
Boy, you better be sure
Sure

Still running, never waking up to say it
Still running, never waking up to say it
Still running, never waking up to say it
Still running, still running
Still running, still running

Say it, say it, that it's done
I want it, want it, need it done
Say it, say it, that it's done
I want it, want it, need it done
