

# Well Enough Alone

Chevelle

Walk down the realm  
Hint to no one that this  
Generic bond exists  
Evil shows another side

And like before, makes no sense  
Never coming, always leaving  
Right before hooked on substance  
Dig in deeper, can't reveal

Why we leave?  
Well enough alone  
Never thought about the shame

So fed up, what's with the scenes?  
Observe and leave instead  
This pity wagon penetrates my skin  
So sensitive, makes me sick

And like before, makes no sense  
Never coming, always leaving  
Right before hooked on substance  
Dig in deeper, can't reveal

Why we leave?  
Well enough alone  
Never thought about the shame

The old and the aged  
Pulled, never knew what hit  
The old and the aged  
Pulled, never knew what hit

And like before, makes no sense  
Never coming, always leaving  
Right before hooked on substance  
Dig in deeper, can't reveal

Why we leave?  
Well enough alone  
Never thought about the shame

Why we leave?  
Well enough alone  
Never thought about the shame
