Chevy Woods

She says she gonna [?] up, like what?

I don't want you around for a cheap thrill  
I'm rolling, you rolling, we sweating, no [?] pills  
Old school, playing up in my ride  
Oh, I told you, I'm trying to get up inside you

I heard you freaky baby, won't you get up in my ride and do what you like to  
?  
Cause tonight it's going down, down, down, down, down  
Make the phone callers and a couple friends yeah you can invite too  
I'm with my nigger so it's going down, whoa

Going in, going in, cover me cause I'm going in  
If I put my game down flat then guaranteed that I'm gonna win  
Roll 2 joints, you roll 2 joints and take 2 cups and hold them in  
Take you up you never come  
Then knock you down like roller pins  
Your mans a lame nigger, you should tell him not to worry about me instead o

?  
Cause tonight it's going down, down, down, down, down  
Make the phone callers and a couple friends yeah you can invite too  
I'm with my nigger so it's going down, whoa

No sleep, that's the motto, drinking out that bottle  
Copy cats, they just wanna follow  
They bad bitches they just wanna swallow

One night bet you won't get her back  
Bet you won't get her back  
One night bet you won't get her back

I heard you freaky baby, won't you get up in my ride and do what you like to  
?  
Cause tonight it's going down, down, down, down, down  
Make the phone callers and a couple friends yeah you can invite too  
I'm with my nigger so it's going down, whoa.
