

# We Ready Freestyle

Chevy Woods

We made it!

I just wanna fuck this shit up myself, Taylor Gang some

You know what I'm sayin?

48 hunned

Chevy!

I don't care what nobody do in this shit

And don't question me, yo I'm doin this here

My nigga, my nigga my nigga my nigga

Yo had a few shots and now you abuse, you need to stay off of that liquor

I'm talkin bout balcony smoking in France

Sittin on top of the villa

Choppin up game with the homies about all that shit that we did like remember

Look at this watch like a Gucci anklet, that's berg, welcome to winter

300 jugs for the dinner

You losin, we over here winnin

Makin up shit

Man, we're the same

Nigga I guess you ain't on top of yo game

You flexin and takin them pictures, boy you need to stop it cus they made you change

Boy you know them and you changed

Keep it 100, you ain't even had

Lined up bitches you ain't even smashed

Havin them stupid ass problems bad

I'm right on the beach from right off the street

Cookin up pies, I can serve you a piece

Talkin all loud, homie you the police?

Right where you stand, nobody speak

Shhhhhhhhh

Ball!

We made it

Taylor Gang shit

TGOD fuck niggas

We made it
