

# I Want To

Cheyenne Kimball

I hope I'm born a thousand times  
It'll give me more time to speak my mind  
And I hope I travel everywhere  
And that everyone leads me to somewhere  
That I've have never been before  
And if they won't let me in  
Then I'm breaking down the door

Because I want to I want to  
Everybody wants to  
Have a little fun in life  
See I want to want to  
Everybody wants you  
When you learn to have a good time  
So breathe in and let go  
Musics gonna rock until it rolls  
Do I what I wanna do wanna do  
Because I want to want to

Where I come from  
They don't understand  
What's gonna on while there making plans  
But there's a world outside this living room  
(Get up on the roof; get up on the roof yea)  
So many lines to cross  
I wanna feel every breath and were never gonna stop

Cause I want to I want to  
Everybody wants to  
Have a little fun in life  
See me want to want to  
Everybody wants you  
When you learn to have a good time  
So breathe in and let go  
musics gonna rock until it rolls  
Do I what I wanna do wanna do  
Cause I want to want to

Oh do what I wanna do wanna do  
Cause I want to I want to  
Do what I wanna do wanna do  
Because I want to I want to

Yea yea yea

I'm gonna breathe in let go  
musics gonna rock until it rolls  
Do I what I wanna do wanna do  
Cause I want to want to

Cause I want to I want to  
Everybody wants to  
Have a little fun in life  
See I want to want to  
Everybody wants you  
When you learn to have a good time  
So breathe in and let go

musics gonna rock until it rolls  
Do I what I wanna do wanna do  
Cause I want to want to
