Wonderful

Cheyenne Kimball

Baby you've been wondering why I'm been feeling so blue
And I don't even understand why, I love you
In my heart I wish that you would be true
Oh and if you weren't in my life boy I don't know what I'll do
And when it all starts going down
You'll know that I'll be around

And if you love me, then tell me
All of the time
And can I love you, I want to
I want to try
Because when you're gone I feel alone and when I
Have you I know it will be wonderful
It will be wonderful

Tell me girl why does everything have to turn to a fight
Everything was going good 'til it started as a why, babe
When I showed you my love everything just felt so right
You know what I want is to be by your side
When times aren't right
And when it all starts going down
You'll know that I will be around
Oh oh oh

And if you love me, then tell me
All of the time
And can I love you, I want to
I want to try
Because when you're gone I feel alone and when I
Have you I know it will be wonderful
Oh ooh

And if you want to break my heart just let me know, let me know

And if you want to break my heart then just let me go (let me go)

And if you love me, then tell me
All of the time
And can I love you, I want to
I want to try
Because when you're gone I feel alone and when I
Have you I know it will be wonderful
It will be wonderful

It will be wonderful
It will be wonderful
It will be wonderful
We will be wonderful
(2x)
