

Got To Go

Chiara Civello

Got to go got to go
Got to go got to go
Got to go got to go
Got to go got to go
Cause it's so hot in here
My eyes are filled with tears
Got to go got to go
Got to go got to go
I am going out of my mind
Don't try to find me
Got to go got to go
Got to go got to go
Got to go got to go
Got to go got to go
You've been so cruel my dear
Me eyes are filled with tears
Got to go got to go
Got to go got to go
I'm going to leave you behind
Dont' try to find me
