Right before my very eyes I thought that you were only fakin' it And like before my heart was takin' it. Baby what a big surprise Right before my very eyes. Yesterday it seemed to me My life was nothing more than wasted time But here today you've softly changed my mind. Baby what a big surprise Right before my very eyes. Just to be alone Was a little more than I could take Then you came to stay Hold me in the morning Love me in the afternoon Help me find my way. Now and then just like before I think about the love I've thrown away But now it doesn't matter anyway. Baby, what a big surprise.
