

Bad Advice

Chicago

She said, "Tell me what it's all about"
I said, "Why, why, why?"
It's just something you could do without
You better try, try try

She said, "I can't reach you on the telephone
I can't call you when you're not at home
You keep saying that you're all alone
That's a lie, lie, lie"

Bad advice, has me down and undone
Got to try again, to believe in myself
Look at me, I'm alone in the end
Can you see me falling, falling down?

I said, "Mama Can you get it straight?"
She said, "Why, why, why?"
I wanna tell you that it just can't wait
So let's try, try, try

She said, "I don't care where you might have gone
I don't care 'cause you've done me wrong
You been doin' it far too long
So goodbye, bye, bye"

Bad advice, has me down and undone
Got to try again, to believe in myself
Look at me, I'm alone in the end
Can you see me falling, falling down?

She said, "Tell me what it's all about"
I said, "Why, why, why?"
It's just something you can do without
You better try, try, try

And I can't reach you on the telephone
I can't call you when you're not at home
You keep saying that you're all alone
That's a lie, lie, lie
