

## Caravan

Chicago

Night and stars above that shine so bright  
The mystery of their fading light  
That shines upon our caravan

Sleep upon my shoulder as we creep  
Across the sands so I may keep  
The memory of our caravan

This is so exciting, you are so inviting  
Resting in my arms  
Thrill to the magic, the magic of your charms

You beside me here beneath the blue  
My dream of love is coming true  
Within our desert caravan, yeah

This is so exciting, you are so inviting  
Resting in my arms  
Thrill to the magic, the magic of your charms

Night and stars above that shine so bright  
The mystery of their fading light  
That shines upon our caravan

That shines upon our caravan  
That shines upon our caravan, ooh
