Stars shining bright above you Night breezes seem to whisper, I love you Birds singin' in the sycamore trees Dream a little dream of me

Say nighty-night and kiss me Just hold me tight and tell me you'll miss me While I'm alone and blue as can be Dream a little dream of me

Stars fading but I linger on dear Still craving your kiss I'm longin' to linger till dawn dear Just saying this

Sweet dreams till sunbeams find you Sweet dreams that leave all worries behind you But in your dreams whatever they be Dream a little dream of me

Stars shining right above you Night breezes seem to whisper, I love you Birds singin' in the sycamore trees Dream a little dream of me

Say nighty-night and kiss me Just hold me tight and tell me you'll miss me While I'm alone and blue as can be Dream a little dream of me

Stars fading but I linger on dear Still craving your kiss I'm longin' to linger till dawn dear Just saying this

Sweet dreams till sunbeams find you Sweet dreams that leave all worries behind you But in your dreams whatever they be Dream a little dream of me

Dream a little dream of me Dream a dream of me Come on and dream come on and dream Dream a little dream of me I said dream, dream a little dre-dre-dream Come on and dream Dream a little dre-dre-dream of me What you sayin' hey baby come on and dream Dream a little dream, dream of me Dream Dream Dream
