C (E7+9,E7-9)

Merely by chance Very unsuspecting You caught my heart Unprotecting me Now I've fallen in love with you Just when I thought I was free and easy You came along to me Soft and breezy Now I've fallen in love with you Woo hoo I've fallen in love with you And for the first time in my life I know what it's like to be a happy man Happy man

And for the first time in my life You've given me something I can't understand F C (E7+9,E7-9) Being a happy man

Be with me now Love me forever Leaving you lady Is something that I'd never do I've fallen in love with you

All of my life it seems I have waited Now I can say all these words I have stated are true I've fallen in love with you Woo hoo Fallen in love with you woo hoo Chicago
