

Hard Habit To Break

Chicago

I guess I thought you'd be here forever
Another illusion I chose to create
You don't know what you got until it's gone
And I found out a little to late
I was actin' as if you were lucky to have me
Doin' you a favor (I hardly knew you were there)
Then you were gone
And it all was wrong
I had no idea how much I cared
Bein' without you takes a lot of getting used to
You should learn to live with it
But I don't want to
Bein' with out you all a big mistake
Instead of getting any easier,
It's the hardest thing to take
I'm addicted to you, baby
Your a Hard habit to break
You found someone else, you had every reason
You know I can't blame you for running to him
Two people together, but living alone
I was spreading my love to thin
After all these years, I'm still trying to shake it
Doin' much better (they say that it just takes time)
Deep in the night, it's an endless flight
And I can't get you out of my mind
Bein' without you takes a lot of getting used to
You should learn to live with it, But I don't want to
Bein' without you is all a big mistake
Instead of getting any easier, it's the hardest thing to take
I'm addicted to you, babe
You're a Hard habit to break

I just can't go on
I just can't go on

Bein' without you takes a lot of getting used to
You should learn to live with it
But I don't want to
Bein' with out you is all a big mistake
Instead of getting any easier
It's the hardest thing to take
I'm addicted to you
You're a hard habit to break
Such a hard habit to break
I'm addicted to you babe
