

Hollywood

Chicago

People running everywhere, not one place to go
Got no time to look around to find out where they are
Where they are, where they are

People having such a race, don't know where it ends
Got beat the other man, not getting anywhere
Anywhere, anywhere

Hollywood
Crazy neighborhood
Never understood why I stay
Hollywood
Lovely lady hood
Make you feel good everyday

Feeling the nights pass by
Under the knowing eyes
Of the sweet butterflies

Watch what you say when you say it
Someone you know will betray it
Will betray it

Hollywood
Oh, crazy neighborhood
Never understood why I stay

Heard it through the grapevine
Heard it through the grapevine
Heard it through the grapevine
I heard it through, heard it through
I heard it through the grapevine

Hollywood, Hollywood
...

Heard it through the grapevine
Heard it through the grapevine
Heard it through the grapevine
