

I'm a Man

Chicago

Well my daddy sent a message
About the whiskers on my chin
And I never had no problems
'cause I've always paid the rent
And I got time for lovin'
'cause my time is all used up
I spend my time creatin'
Other groovy kinds of love

I'm a man, yes I am,
and I can't help but love you so
I'm a man, yes I am,
and I can't help but love you so

If I had my choice my manner
I'd rather be content
Being closer to the chatter
Than where your mind is at
By relating to each other
How strong your love will be
Resisting only sometimes
The groovy chicks we see

I'm a man, yes I am,
and I can't help but love you so
I'm a man, yes I am,
and I can't help but love you so

Now, I got to keep my image
While I'm standing on the floor
If I drop upon my knees
It's just to keep her on my nose
Now you say that I'm not human
And my heart is made of stone
I never have no problem
And my body's pretty strong

I'm a man, yes I am,
and I can't help but love you so
I'm a man, yes I am,
and I can't help but love you so
