

Loneliness Is Just a Word

Chicago

You don't know how bad it's been
Since you been gone
Let me tell you how bad it's been
Since you been gone

People speak but I don't hear
Things all around seem so unclear
I don't know

What will become of the need you turned off?

Loneliness is just a word
So I been told
Loneliness becomes a world
That's very cold

People stare but they don't see
All of the hurt that's inside me
I don't know

Loneliness is just a word
So I been told
Loneliness becomes a world
That's very cold

People stare but they don't see
All of the hurt that's inside me
I don't know, I don't know, I don't know
