She said, "It's lonely here tonight"
She's always sad when she's alone
She said, "I need you here tonight"
She couldn't wait 'til I get home
She loves me
And that's all I need to know
She's part of my life
Just a part I won't let go

Then she said,
"Love me tomorrow
Won't you please, promise me
Love me tomorrow like today
Love me tomorrow
Hurry back, can't you see
I need you more than yesterday"

You know it's always cold at night It's always lonely 'til the dawn You know it's not what we booked on Knowing she's there, I'll carry on Because she loves me And that's all I need to know She's part of my life Just a part I won't let go

Then she said,
"Love me tomorrow
Won't you please, promise me
Love me tomorrow like today
Love me tomorrow
Hurry back, can't you see
I need you more than any words could say"

She loves me
And that's all I need to know
She's part of my life
Just a part I won't let go

Then she said,
"Love me tomorrow
Won't you please, promise me
Love me tomorrow like today
Love me tomorrow
Hurry back, can't you see
Need you much more than yesterday
Love me tomorrow
Love me tomorrow like today
Love me tomorrow
Need you much more than yesterday
Love me tomorrow
Love me tomorrow
Love me tomorrow
