

## Sing, Sing, Sing

Chicago

Sing, sing, sing, sing  
Everybody's got to sing

Stick with us we'll have a ball

Sing, sing, sing, sing  
Everybody's got to sing

Stick around we'll have it all

Music brightens up the day  
Now, if you like it we will stay

Sing, sing, sing, sing  
Everybody's got to sing

Stick around, shake it down
