

## South California Purples

Chicago

Cloudy every morning, sun don't never shine  
Cloudy every morning, sun don't ever shine, no  
Since I lost my baby, I been losing my mind

I thought this was a warm place, I must be in the wrong place  
Thought this was a warm place, I must be in the wrong place  
And I don't know where I'm going  
Since my lover left me, no, no smile on my face

I am he is you are he is you are me and we are all together  
Whoa, whoa

Buddy, ain't this LA? I've traveled such a long way  
Buddy, ain't this LA? I've traveled such a long way  
And I still don't know where I'm going  
But without my baby here, I better not stay  
I better not stay, no, no, no
