

Wake Up Sunshine

Chicago

Wake up sunshine, open up your sleepy eyes for me
(Can't have you hidin')
I've been waiting all the night
People waiting for the light, sunshine, sunshine

Wake up sunshine, let me feel your warm sunlight on me
(Can't have you hidin')
Night was long and night was cold
But today we're one day older, sunshine, you make my life sunshine

You know I'm talkin' to you, I know you're knowin' it too
So just stop hidin' your face, just open your eyes
Just smile your smile, I'm talkin' to you

Wake up sunshine, oh it's good to have you here with me
(Can't have you hidin')
Can't imagine what I'd do
But feel too lonely without you, sunshine, sunshine
You got to wake up girl and face the day ahead
