

## Hiding All The Stars

Chicane

You can say what you want  
Find the path that you've lost somewhere.  
Be a fly on the wall  
Take a dive or a fall in prayer.  
Everyday there's a choice  
Nothing gained from the path we know.  
They're the ones to be wrong  
Hiding all of the stars out there.

You can say what you want  
Find the path that you've lost somewhere.  
Be a fly on the wall  
Take a dive or a fall in prayer.  
Everyday there's a choice  
Nothing gained from the path we know.  
They're the ones to be wrong  
Hiding all of the stars out there.
