

## Shick Shaving

## Chicks On Speed

Well you know,  
Id love to be a shick on speed  
Running every morning  
Over blonde German faces  
And shave, just shave

If I was a shick on pills  
Id go in a discotheque  
Run over dancefloor maces  
And shave, shave again

Nice to be a shick on stick  
Laying every morning  
On the patchwork blanket on my bed  
And shave and shave and shave

Now I am a shick on spleen  
Cutting every morning  
All my legs, all my head  
Born to shave, only shave
