Shick Shaving

Chicks On Speed

Well you know,
Id love to be a shick on speed
Running every morning
Over blonde German faces
And shave, just shave

If I was a shick on pills Id go in a discotheque Run over dancefloor maces And shave, shave again

Nice to be a shick on stick Laying every morning On the patchwork blanket on my bed And shave and shave

Now I am a shick on spleen Cutting every morning All my legs, all my head Born to shave, only shave
