Don't Make No Sense

Ganja, ganja I be smoking ganja All this loss of commas And I can fuck your mama Them thorties know 'em fogs Flexing in the sauna Riding in Bahamas 24 Verlons Turn to that checks that is bind The Texas shit I got no limit in the clip But my effin I let it spit Thrilla over here Pull up in a whoop Got a lot of banana clips Fruity nigga don't get mixed I say bitch I'm from Chy real We got more kills than Afghanistan OBlock just stunting We the new Ku Klux Klan I'm abortion not a chemist Now all you niggas damaged Some of you boys will make it For this 3 hundred carats

This shit don't make no sense (4x) I say this shit don't make no sense This pay roll in my pocket This shit don't make no sense I say this shit don't make no sense This tunnel in my club This shit don't make no sense I say this shit don't make no sense

Man these youngers are killers Tell these streets that we made it Untouchable niggas we was born to be hated Me and Sosa ain't telling we get money together Hood niggas we eatin' and we down for whatever See they're scared of my niggas They wouldn't give him a bind I said, freeze! see murder We gon' ride for Treyvon Taking pictures in the hood Some of these niggas be snitches Pilla talking with hoes While I'm counting my riches Bad bitches be calling I'm on the block with my niggas Louie V on the pillars Smoking weed with them killers I'm a ride for my niggas I don't wanna go fin us Underated by some Disputed by many

This shit don't make no sense (4x) I say this shit don't make no sense

This pay roll in my pocket This shit don't make no sense I say this shit don't make no sense This tunnel in my club This shit don't make no sense I say this shit don't make no sense

This shit don't make no sense All the money all the bitches I get Grind high but my 40 ride low And so my lap on totted on my head I can't forgive to flip a whip and make a pie Molly hide you can shit it in my eyes Give her dick 'cause I know she let it ride Guess she fuck me anywhere anytime I may be hit she take the dick and break it down Stuck the click and make my bitches wait in line It's nothing new boy 'cause I do this all the time And since I shoot she better knew to have mine

This shit don't make no sense (4x) I say this shit don't make no sense This pay roll in my pocket This shit don't make no sense I say this shit don't make no sense This tunnel in my club This shit don't make no sense I say this shit don't make no sense
