Chikinki

All I see is  
I'm much good for me  
So much riches  
I'm much rich for me

Why can't they see?  
There's no use thinking  
And all it leads to  
Is just more drinking  
Oh oh oh

I think I'm thinking  
Not much left to do  
All those moments  
They're still all on you

Why can't they see?  
There's no use thinking  
And all it leads to  
Is just more drinking  
Oh oh oh
